

Big savings.
Bigger coverage.

Get both with Anchor's Preferred Package Insurance.

At Anchor, we're making it easy and budget-friendly to upgrade your homeowners insurance. By adding Preferred Package coverage, you can quickly increase your coverage limits across the board on items such as jewelry, watercraft, and screened enclosures. In addition, the package includes extra liability coverage to protect you and your assets if something should go wrong. **And when you package, you save with discounts.**

What you get with Anchor's Preferred Package coverage:

- **Broadest personal property coverage.** Unlike other policies that insure personal property for a list of covered perils (i.e. fire and lightning), you're covered if you simply lose* or break your property.
- **Replacement cost coverage** for your personal property, meaning we'll pay you to replace your things if they are damaged, versus paying the actual cost of the item minus depreciation.
- **\$300,000 in personal liability coverage** to protect you and your assets if you or a family member were accused of causing injury or damage to others.
- **\$25,000 in animal liability coverage** to cover legal liability caused when your animal causes injuries or damages property.
- **\$10,000 in coverage for your carport, screened enclosure and pool cage during a hurricane.**
- **\$10,000 in coverage if you incur loss because your EFT, credit card or other device used** for transfer of funds is stolen or used without your authorization.
- **\$5,000 for medical payments** to others if they are injured on your property.
- **\$5,000 in protection for water back up and sump overflow** as in the case of water and sewage that backs up into your home through drains and toilets.
- **Liability coverage for personal injuries** such as false arrest, wrongful eviction, invasion or violation of privacy and slander/defamation.
- **Watercraft liability coverage** for larger watercraft including those with outboard engines or motors of up to 50 total horsepower.
- \$1,000 in coverage for fire department service charges.
- \$1,000 in coverage for damage to property of others.
- \$500 in coverage for refrigerated personal property.
- \$500 in coverage for lock replacement.
- **Increased coverage limits on your personal property** including money, securities, watercraft, trailers, jewelry, firearms, silverware and property used for business.

Ready to package and save?

It's easy to add Preferred Package coverage to your Anchor home insurance policy. Talk to your agent to make sure you and your home are protected.
